Hancock County Veterans Memorial

The mission of the Hancock County Veterans Memorial Committee is to create a perpetual garden/park to reverently honor each Hancock County Veteran for his/her sacrifices.

At this time, the Committee does not have the final price tag for the completed Memorial. However, the Committee is proceeding with fundraising efforts for the estimated initial cost through the sale of bricks and adornments, donations of cash, materials and labor. The heartfelt commitment of the Committee, volunteers and contributors, will move the first-class Hancock County Veterans Memorial from a dream to reality.
